Document 4: IRSP Terms and Conditions

Integrated Regional Support Programme (IRSP) PURCHASING TERMS AND CONDITIONS

IRSP/TENDER/2020/02/03

Unless the context indicates otherwise, the term “Buyer” refers to Integrated Regional Support Programme (IRSP). The term “Supplier” refers to the entity named on the order and contracting with the Buyer. The term “Contract” can be taken to mean either (a) the purchase order or (b) the supply/service agreement, whichever is in place.

GENERAL TERMS AND CONDITIONS

1) Price: The prices stated on the order shall be held firm for the period and / or quantity unless specifically stated otherwise

2) Source of Instructions: The Supplier shall not seek nor accept instructions from any source external to IRSP in relation to the performance of the contract.

3) Assignment: The Supplier shall not assign, transfer, sublet or subcontract the contract or any part thereof without the prior written consent of the Buyer.

4) Corruption: The Supplier shall not give, nor offer to give, anyone employed by the Buyer an inducement or gift that could be perceived by others to be a bribe. The Supplier agrees that a breach of this provision may lead to an immediate end to business relationships and termination of existing contracts.

5) Confidentiality : All data, including but not limited to, maps, drawings, photographs, estimates, plans, reports and budgets that has been compiled by or received by the Supplier under the contract shall be the property of IRSP and shall be treated as confidential. All such data should be delivered to the authorized officials representing the Buyer upon request.

5.1) The Supplier may not communicate at any time to any other person, government or authority external to IRSP, any information that has been compiled through association with IRSP which has not been made public except with written authorization from the Buyer. These obligations do not lapse upon termination of the contract.

6) Use of Emblem or Name: Unless otherwise agreed in writing; the Supplier shall not advertise nor make public the fact that it is not supplying goods or services to the Buyer, nor shall the Supplier in any way whatsoever use the name or emblem of IRSP in connection with its business or otherwise.

7) Observance of Law: The Supplier shall comply with all laws, ordinances, rules and regulations bearing upon the performance of its obligations under the terms of the contract.

8) Force Majeure: The meaning of the term can be taken to mean acts of God, war (declared or not), invasion, revolution, insurrection or acts similar in nature or force.

8.1) In the event of and as soon as possible after the occurrence of any cause deemed *force majeure*, the Supplier must inform the Buyer of the full particulars in writing. If the

supplier is rendered unable either in part or in whole to perform its obligations then the Buyer shall take such action as it considers, in its sole discretion, to be appropriate or necessary in the circumstances.

8.2) If the Supplier is permanently rendered incapable in whole or part by reason of *force majeure* to complete its obligations and responsibilities under the contract then the Buyer will have the right to suspend or terminate the contract on the same terms and conditions laid out in section 9, Cancellation.

9) **Cancellation:** The Buyer reserves the right to cancel the contract should it suspend its activities or through changes to its mandate by virtue of the SMC of IRSP and/or lack of funding. In such a case the Supplier shall be reimbursed by IRSP for all reasonable costs incurred by the Supplier, including all materials satisfactory delivered and conforming to specification and terms of contract, prior to receipt of the termination notice.

9.1) Should the supplier encounter solvency problems including, but not limited to, bankruptcy, liquidation, receivership and similar, the buyer reserves the right to terminate the contract immediately without prejudice to any other right or remedy it may have under the terms of these conditions.

10) **Inspection and Test:** The Supplier must inspect the goods prior to dispatch to ensure conformance to specification and/or any other provisions of the contract. The Buyer reserves the right to inspect the goods/services for compliance with specifications and provisions of the contract. If, in the Buyers' opinion, the goods and/or services do not comply with the specification, the Buyer will inform the Supplier in writing. In such a case the Supplier shall take the necessary action to ensure compliance, liability for any additional cost incurred for rectifying compliance will rest with the Supplier.

Doc 6: Tenders Declaration
