## **CONSULTANT WANTED**

### **CITY-WIDE INCLUSIVE SANITATION POLICY FORMULATION**

---

On behalf of City Government Mardan, the R4R project is seeking a highly qualified consultant to support the development of policy and regulatory mechanisms for city-wide inclusive sanitation. The consultant will lead the formulation of a comprehensive policy framework and regulatory mechanisms to accelerate safe management of sanitation services, aligning with SDG 6.2.

#### **RESPONSIBILITIES:**

- Conduct situational analysis and policy analysis
- Engage stakeholders through meetings and workshops
- Develop a comprehensive policy framework and regulatory mechanisms

#### **REQUIREMENTS:**

- Advanced degree in a relevant field (e.g., environmental engineering, public policy, sanitation management)
- Proven experience in policy formulation and regulatory mechanisms development
- Strong analytical and stakeholder engagement skills
- Excellent writing and communication skills

#### **DELIVERABLES:**

- Draft policy framework document
- Regulatory mechanisms document

#### **TIMELINE: 2 WEEKS**
